Subject: AY 2017-18, PAN AZQPM1433L — Portal Defect Blocking Correction of ₹92,14,780 Demand Response — Ref. Letter Dated 27-03-2026

Dear Sir,

This is further to your letter dated 27-03-2026 (DIN ITBA/COM/F/17/2025-26/1088004198(1)) and my e-Proceedings response dated 04-06-2026 (Ack. No. 158617601040626).

On 05-06-2026, I filed "Disagree with demand" (Transaction ID FOS009116631162) against Demand Reference No. 2019201737089568540T, citing the ITAT order dated 29-12-2023 (ITA No. 3281/Mum/2022) which deleted the entire addition of Rs. 89,58,000 for AY 2017-18. By inadvertent error, the "amount not payable" field was entered as Rs. 4,970 instead of Rs. 92,14,780 for the larger component.

On attempting correction today (10-09-2026), I found "Re-Submit Response" defective: it routes to the same screen regardless of which component is selected, always showing "Rs. 4970." Entering the correct amount there produced an impossible "Amount Payable: Rs. - 9203635," proving the system applies my disagreement to the wrong record. There is no way to file a correct response against the Rs. 92,14,780 component.

I have filed a Grievance today under e-Filing → e-Proceedings → Unable to respond to Notice; the reference number is pending generation, so I attach the submission-confirmation screenshot meanwhile.

I request that the ITAT order and the Rule 34(5) breach (90-day deadline expired 29-03-2024) be treated as applicable to the **full demand of Rs. 92,14,780 and Rs. 4,970**, and that no recovery/refund adjustment be made pending correction, given the Section 245 deadline of 11-09-2026.

Thanking you,
Nidhi Omsharan Mohnia
