

SUPPLEMENTARY COMPLAINT — ENCLOSURE LIST

CBI Mumbai | RBI Department of Supervision

Submitted by: Neeraj Singh Mohnia — 25.08.2026

In continuation of original complaint (March 2026) and EOW Transfer Ref. 993/VPNI/AJUVI/Unit 7(Shares)/2026

This enclosure list accompanies the two supplementary complaint letters submitted simultaneously to CBI Mumbai and RBI Department of Supervision on 25.08.2026. Documents are organized in two sections: Section A covers evidence submitted with the original March 2026 complaint (already in the possession of CBI following EOW transfer); Section B covers new evidence discovered and documented between March 2026 and August 2026. Section C shows the recipient-by-recipient breakdown for quick assembly.

SECTION A — CORE FRAUD EVIDENCE (submitted with original complaint, March 2026)

CBI Mumbai already holds these documents via EOW transfer (Ref. 993/VPNI/AJUVI/Unit 7(Shares)/2026 dated 08.05.2026). Copies are re-enclosed for RBI, and for completeness of the CBI submission record.

#	Ref.	Description	Goes to	Source
1	E-1	CERSAI Asset ID 200014613560 — BOI Nagpada — Rashmi Steels — Rs. 29.5 crore ceiling — NOT SATISFIED	CBI / RBI	CERSAI portal
2	E-2	CERSAI Asset ID 200003766496 — IOB Dandia Bazaar — Light & Glaze — Rs. 5.78 crore — NOT SATISFIED for 13+ years	CBI / RBI	CERSAI portal

T-1 — Mahabhulekh 7/12, Ratnagiri	~3	☒	—
APPROX. TOTAL PAGES PER RECIPIENT		~57	~35

KEY PINPOINTED FACTS — QUICK REFERENCE FOR INVESTIGATING OFFICER

Fact 1 — Same branch, same date, father and son: Bank of India, Nagpada Branch sanctioned Rs. 5 crore to Babulal Ganeshmal Bohra (Rashmi Steels) AND Rs. 6 crore to Ravi Babulal Bohra (Rashmi International) on the SAME DATE — 24.03.2017. Combined exposure: Rs. 11 crore from one branch on one day to a connected family group. Large Exposure Framework aggregation was required; it was not applied.

Fact 2 — 16 minutes: The Cash Credit limit for Rashmi Steels was enhanced from Rs. 5 crore to Rs. 7.5 crore on 14.11.2017. The CBS Statement (Exhibit U — on DRT record) shows this was processed within 16 minutes. No commercially prudent credit appraisal can be completed in 16 minutes.

Fact 3 — Post-default enhancement: A further enhancement of Rs. 1 crore was processed for Rashmi Steels in January 2019 — after the account had already been declared NPA. Enhancing a credit limit after NPA declaration is a regulatory violation.

Fact 4 — Two official registries contradicting each other: MCA Index of Charges records the IOB charge (Charge ID 10350710, SRN C68405455) as satisfied on 19.10.2015. CERSAI — maintained under a separate statute for this exact purpose — continues to record the same charge as NOT SATISFIED as of 20.05.2026. Both are official Government registries. No interpretation is required — the contradiction speaks for itself.

Fact 5 — Rashmi Metasteel balance sheet (RoC certified, signed by Ravi Bohra): Form 23AC, FY 2012-13: zero tangible fixed assets, zero income, accumulated losses Rs. 22,75,814, 100% of borrowings (Rs. 23,861,026) from related parties. This balance sheet was publicly available on MCA portal in 2017 when BOI sanctioned Rs. 6 crore to Ravi Bohra's connected entity. A connected-entity due diligence check, mandated by RBI Master Circular, would have surfaced it.

Fact 6 — Government revenue land — incapable of valid mortgage: R.S. No. 124, Padra (offered as primary security to BOI) is Government revenue land under Section 68 of the Gujarat Land Revenue Code — incapable of being privately owned or mortgaged. The Padra Mamlatdar's own records (Property Card, 4 Haq Patrak entries, Occupancy Register, 7/12 Utara) confirm this across 37 independent anomalies. The property carries an official digital signature and QR code — verifiable in real time on the Gujarat Government revenue portal.

Fact 7 — Total documented fraud quantum: Approximately Rs. 76.87 crore across three public sector banks — Bank of India (Rs. 44+ crore), Indian Overseas Bank (Rs. 5.78 crore), Bank of Baroda (Rs. 26+ crore via S.G. Preservatives). The Bank of India and Indian Overseas Bank exposures are secured against land incapable of sustaining valid security; the Bank of Baroda exposure shows a comparable pattern of registered-owner/borrower separation and an unexplained escalation in secured value, submitted as a lead for verification rather than a concluded finding.
